10 Designs for the 4x4 hoop

1 Applique Design and 9 Filled Designs

Applique Design:

1st color is your placement stitch to show you where you are to put your fabric, let this stitch out.

2 lay your fabric over the stitch placement and then stitch again. take the hoops off the machine. DO NOT UNHOOP YOUR FABRIC.

Trim around your fabric that you just sewed over your placement stitch.

3 reattach your hoops and do the next placement stitch and then fabric again. repeat one and two until you have all of your applique done

4 Next is your fill stitches follow until done

5 Last but not least is your satin stitches that go around your appliques.

Filled Design:

Stitch on the fabric of your choice appropriate stabilizer
