

## Project of the Week – FSL CD Sun Catcher

· Tuesday, February 4th, 2014

by Rhonda

Basic Instructions:

Stitch out the front and back for each design.  
The back designs have a loop for hanging.

Stitch out on opaque soluble stabilizer

Remove from hoop and trip around the edges

Putting it all together:

For a Sun Catcher, use 2 CD's with the shiny side facing out.  
put the front and back on each side and lace together with a nice pretty piece of narrow ribbon.  
Tie with a bow.

If desired, you can glue a piece of [\[#160\]](#) foil over the center of cd on both sides.

**Option:**

Stitch 2 of each Even Numbered Designs, lace together and use as a coaster.
