

Project of the Week  
St. Patrick's Day Wind Sock

1

1. Hoop stabilizer ( water soluble like Vileen , Badgemaster or Designs By SiCK's Washaway Fibrous) and run one of each top panel.
2. Rinse out just enough stabilizer that the panels will dry somewhat rigid.
3. Stitch out the charms as many as desired.
4. To assemble stitch the top panels together at the ends using a regular sewing or zigzag stitch or needle and thread.
5. Repeat with all the top panels with the last forming a tub.
6. Run Ribbon through the top holes to hang it from.
7. Then run ribbon through the bottom holes and tie the charms to on the ribbon streamers where desired.
8. Beads, Rhinestones and other decorations can be added to jazz it up.
