

1. Place the brown felt in the hoop, embroider the first color
2. Place the beige felt from above, embroider the second color
3. Cut the muzzle, ears and belly of the monkey close to the line
4. Place the second layer of brown felt down under the hoop. Secure it with a glue spray
5. Embroider the last color that will clamp both parts of the toy
6. Cut the toy along the line of the stitch
7. Through the remaining hole fill the toy with a sintepon
8. Sew a hole by hand
