

ATTACHE TÉTINE ZÈBRE

MATERIALS

Mane: 2 pieces 3x4cm high

Ears: 2 pieces 9x6cm high

Head: 1 piece 9x10cm high and 1 piece 10x11cm high for the back of the head

Nipple Strap Tape

Tearable support, water-soluble support, temporary glue, fill, tapestry thread, needle

THE EARS AND MANE

The first seam is done on your tearable support

Once this sewing is done, take your first piece of fabric and put the upside down on your support

Make the 2nd seam, this seam will hold your fabric on your support

Then put your 2nd piece of fabric, place against place

Make the last seam to unite your 2 pieces

This sewing is done on your support to indicate the location of your fabric

Put your first piece of fabric on the seam and water-soluble support taking care to hide the seam well

Make the seam that will hold your fabric on the support.
Do the embroidery stitches

Once these 2 steps are complete, put your 2nd piece of fabric, place against place

Make the last seam that will sew your 2 pieces of fabric together.

Step out of frame, remove excess fabric, turn upright and set aside.

HEAD

Seam 1: Seam on your support to indicate the location of your fabric

Put your first piece of fabric and your water soluble support. Take care to hide the seam

Seam 2: Seam to hold your fabric and water soluble support on your base support

Do the embroidery stitches
Seam from 3 to 8

Seam 9: Seam to show you the location for your snout

Put your small piece of cloth for the snout

Sewing 10: Sew and remove excess fabric

Stitch 11 and 12: Put a small piece of water-soluble support and make the embroidery stitches

Seam 13: This seam tells you the location of your first ear

Put your first ear on this seam taking care to keep it in place

Sewing 14: sewing your ear on your head

Seam 15: Seam in the top of the head to indicate the location of the mane and the ribbon on the top of the head

Put your mane first over put your ribbon and hold securely in place

Sewing 16: sewing to hold your mane and top ribbon in place

Sewing 17 and 18: sewing for your 2nd ears, as for sewing 13 and 14

Seam 19: Seam to indicate the location of the tape at the bottom of the nipple

Roll up your ribbon from top to top and put your ribbon from bottom place to place on the seam 19

Sewing 20: sewing to keep your bottom ribbon in place

Put your ribbons back towards the bottom of the teat and hold in place

Put your 2nd piece of fabric (fabric for the back of the head) side up

Sewing 20: this sewing will join your 2 pieces together.

For the back of the head, I always put the speed of my embroiderer to the lowest and I am my fabric so that the foot of the embroiderer does not remain stuck in the fabric

Go back to the place and fill it up

Close the opening with an invisible seam
