

MY WORKSHOP 10x10cm

This fact in 4 steps

The crown on the back is made with the sewing machine and not the embroiderer. The pattern is included as well as the indications.

Materials:

I did mostly with felt. You can make in the fabric of your choice.

SECTION 1: THE HEAD

1 piece of 11x11cm high fleece

1 piece of 4.5x4.5cm high for the face

1 piece of 10x7cm high for hair

1 piece of white felt for the back of 11x11cm high

SECTION 2: Office my workshop

1 piece of 11x11cm high the fleece

1 piece of 11x11cm for the office (gray felt)

1 piece of white felt for the back of 11x11cm high

SECTION 3: Top of the chair and bottom with legs

1 piece of 11x11cm high fleece

1 piece of 8x5cm high for the bottom of the chair (part with the legs)

1 piece of 8x5cm high for the top of the chair

1 piece of 11x11cm of white felt for the back

For the rest of the pieces, you need a few small pieces of felt or other

SECTION 4 :

1 piece of 11x11cm high

2 pieces of 11x11cm of white felt, 1 for the front and 1 for the back

For the rest of the pieces, you need a few small pieces of felt or other

Tear away support, hot glue rifle, cardboard for the crown,

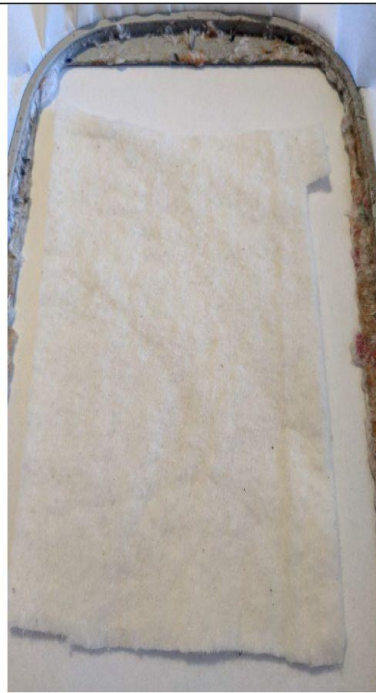

CROWN

1 piece of 14x14cm of white felt, 1 piece of 14x14cm self-adhesive stuffing, 1 piece of 14x14cm of rigid cardboard

Section 1

Seam 1: this fact on your support to tell you the location of your stuff

Put your stuffing taking care to hide all the seams

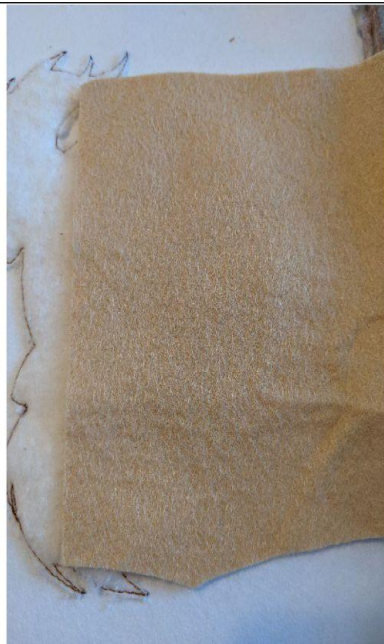

Seam 2: this seam is done on your stuff to hold it on your support
Remove excess stuffing

Seam 3: This seam tells you the location of your felt for the face

Put your felt to hide all the seam #3

Seam 4: this seam will hold your felt on your support

Cut off excess felt in the upper face

Sewing from 5 to 11: embroidery stitches

Once the embroidery stitches are finished, put your hair felt on the top part, hiding all the rest of the seams well

Seam 12: this seam will keep your hair felt on your support

Cut the excess tissue in the lower part of the hair (part of the face)

Seam 8: this seam will hold your felt in place.

Remove excess all the way

Seam 9: this seam tells you the location of your sweater and needle holder

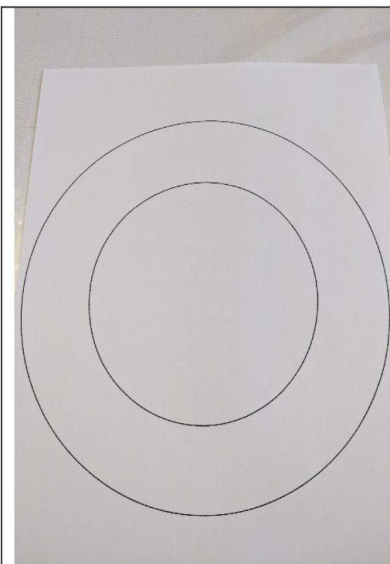

Put on your felt and make the seam 10

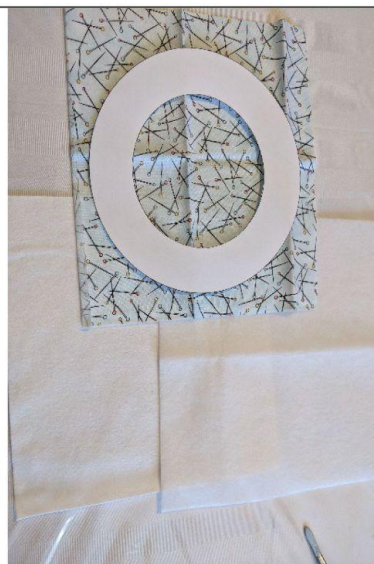

Remove excess fabric and sew 11-12-13: embroidery stitches

Continue your project by always following the same process. The first one tells you the location, the 2nd sews your felt in place, remove the excess and make the embroidery stitches. Do this to the end

THE CROWN

Print your pattern

here you have your pattern, your white felt for the back, self-adhesive iron stuff, your fabric

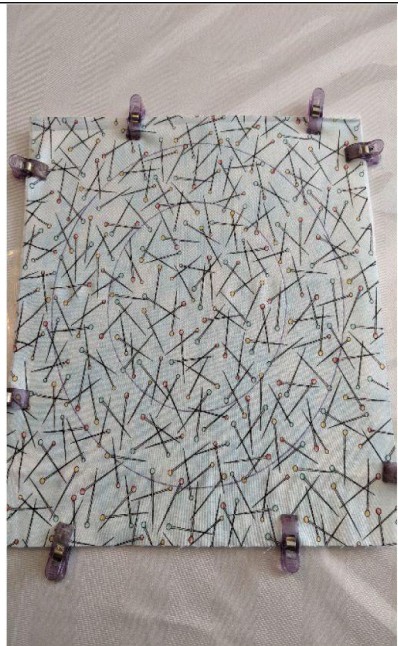

Put you double-sided on your boss.

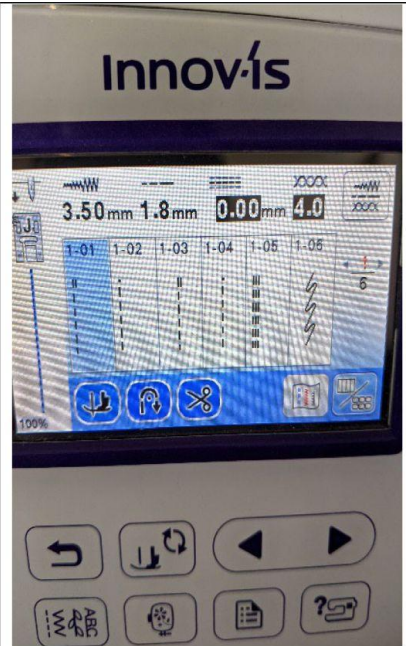

Stick your sticky stuff on your felt

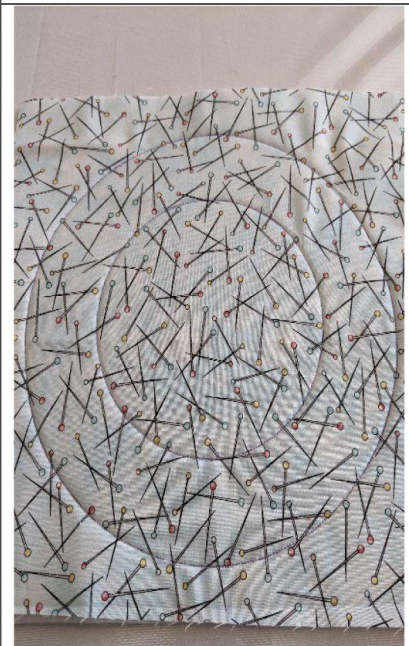

stick to your fabric and trace your pattern

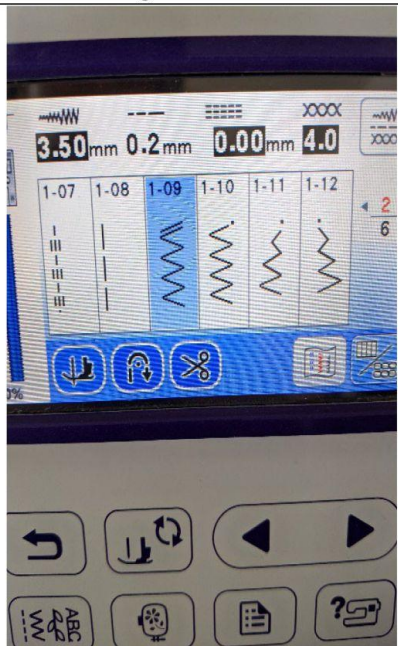

take your felt with the self-adhesive stuff and your fabric, hold well together

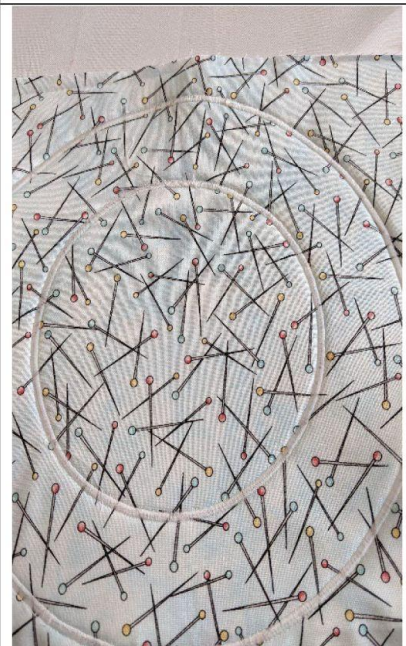

on your sewing machine

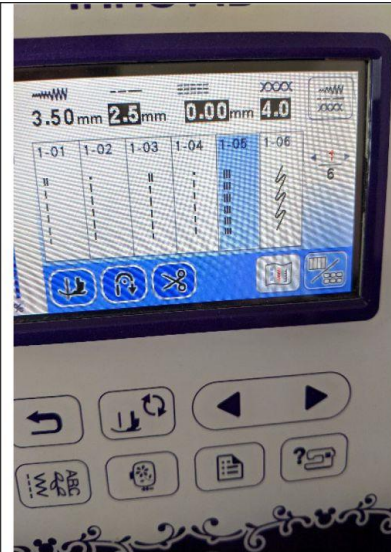

Make a first seam by following the tracing lines

Once your first seam is finished, put your sewing machine at the zigzag stitch at .2mm

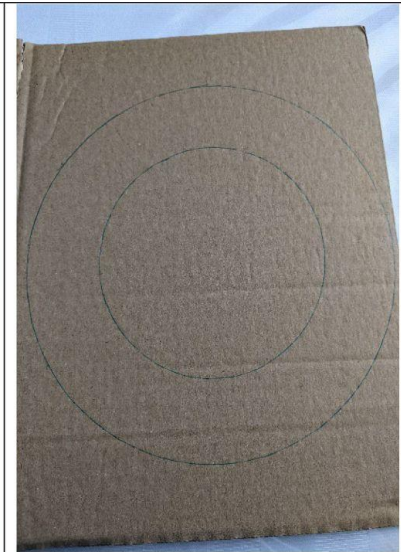

Go back to your sewing lines

Make a triple stitch on the edge of your zigzag, do not forget on the large circle, make the triple seam on the outside and on the small circle do on the inside

here's what you should have

draw your pattern on a rigid cardboard

Cut

Glue your fabric round to your cardboard with glue.
