## THE ASSEMBLY

Put your head in

place and make a  
invisible seam on everything  
the tower, with wire from  
tapestry, make 3 turns  
for it to be  
safe

Take a big

needle with til of  
tapestry

swipe from the back towards  
the front, the inside of the  
bras

Go through the  
body. The first  
passage this fact ahead  
of your side coture

Get through to

your body by remaining  
straight ahead

Take your second arm  
and swiue from the back  
forward, inside  
of your arm

Iron your needle  
through your body  
but in the back of the  
side seam

You can do 2-3  
times the passage through the  
arm and body. A  
once completed, make a  
knot with your sons. Ne  
not cut near the  
knot, iron your wires  
in the body in the  
going out anywhere and  
cut
