SMALL CANDY BOXES

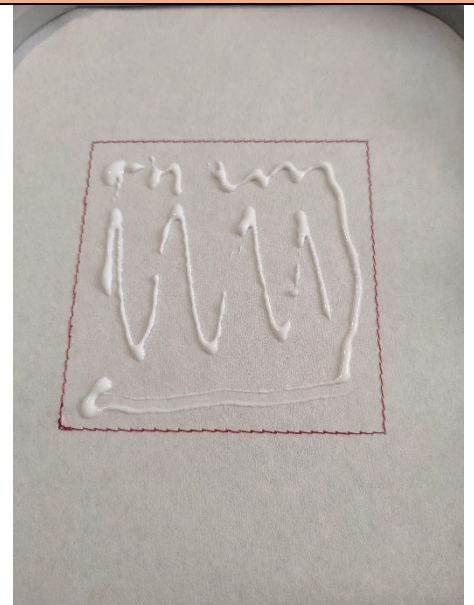

THE BOX

First step: print and cut your cardboard

Seam 1: this seam is done on your stabilizer to tear

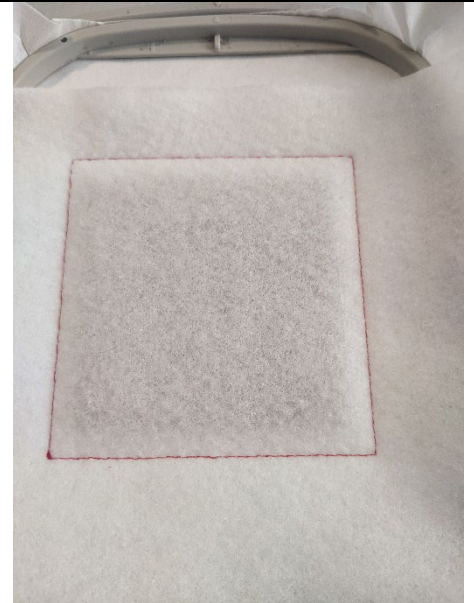

Put glue inside the square

Glue the cardboard taking care to position it on the seams

Take your fleece, position it in the center, the seam will be larger than that of the cardboard so you will need to put your piece of 10x10cm

Seam 2: this seam will hold your fleece in place

Cut the excess all around

Put your felt on the front of your work (front of your frame), keep in place

Put your felt on the back of your work (back of the frame), keep well in place

Exit the frame and cut the excess felt all around
Do all other sides in the same way.

Sewing 3: this sewing will join your 2 felt together.
