

ITH Welcome Gnome

The best ITH Welcome Gnome ever! ITH Welcome Gnome is made with fabric, just take all the work out of the project. Make these in less than 90 minutes.

Skill Level: Beginner

Time Required: 01:30 hours

Materials:

- 4" x 4 - 5" x 7" - 6" x 10" or an extra-large embroidery hoop.
- Fabric in your favorite colors.
- 2.5-ounce Cut-away Stabilizer.
- Batting
- Repositionable adhesive spray
- Fabric scissors

Designs used in this project:

Step 1:

For the A01 part tautly hoop 2.5-ounce cutaway stabilizer in your embroidery hoop and run color-stop 1 as a placement line.

Remove the hoop from the machine, do not unhoop. Cover the placement line with batting with the help of the repositionable adhesive spray, and run color-stop 2 and 3.

**Step 2:**

Run color-stop 4 as a placement line. Cover the placement line with green fabric with the help of the repositionable adhesive spray, and run color-stop 5. Cut the excess fabric.

**Step 3:**

Run color-stop 6 as a placement line. Cover the placement line with printed fabric with the help of the repositionable adhesive spray, and run color-stop 7. Cut the excess fabric.

Step 4:

For the next four flowers follow the previous step. Just change the colors of the fabrics.

Step 5:

Run color-stop 16 through color-stop 18.

Step 6:

Remove the hoop from the machine, do not unhoop. Cover the back of the hoop with green fabric with the help of the repositionable adhesive spray and run color-stop 19.

Step 6.1:

Remove the project from the hoop. Cut out the outline of the design, with sharp scissors, and save it for later.

**Step 7:**

For the A02 part tautly hoop 2.5-ounce cutaway stabilizer in your embroidery hoop and run color-stop 1 as a placement line.

Remove the hoop from the machine, do not unhoop. Cover the placement line with batting with the help of the repositionable adhesive spray, and run color-stop 2 and 3.

**Step 8:**

Run color-stop 4 as a placement line. Cover the placement line with sky blue fabric with the help of the repositionable adhesive spray, and run color-stop 5. Cut the excess fabric.

Step 9:

Run color-stop 6 as a placement line. Cover the placement line with white fabric with the help of the repositionable adhesive spray, and run color-stop 7. Cut the excess fabric.

Step 10:

Run color-stop 8 as a placement line. Cover the placement line with khaki fabric with the help of the repositionable adhesive spray, and run color-stop 9. Cut the excess fabric.

Step 33:

Remove the project from the hoop. Cut out the outline of the design, with sharp scissors, and save it for later.

Step 34:

We put all the pieces together.

Step 35:

With the help of a needle and thread or some type of textile glue. The floral branches will be the lower center part. Join the hip and shoes of the Gnome with the floral branches, fixing the endings in the back parts. Join the arms to the hip part of the Gnome. Then join the hat and the mustache. The banner will be the upper center part join to the ribbon at the height you prefer. Or as the reference image suggests Use complementary decoration. Have fun doing this beautiful project.
