Step 23:

We put all the pieces together.

Step 24:

The cloud will be the lower center part divided into two parts. With the help of a needle and thread or some type of textile glue, join the parts to form one, fixing the endings in the back parts. Fix the head of the baby dinosaur with the body. Then fix the little hat to the baby dinosaur, and finally join the baby dinosaur to the cloud. Join the project to a ribbon at the height you prefer.
