Step 32:

Remove the project from the hoop. Cut out the outline of the design, with sharp scissors, and save it for later.

Step 33:

We put all the pieces together.

Step 34:

With the help of a needle and thread or some type of textile glue, The Santa face part will be the lower center part, join the hat to the face and then join the Reindeer head at the horns at the height you prefer. Once the parts be joined, stick the Santa to the Reindeer and finally join the Plaque part to the rest of the project. Use complementary decoration.

Have fun doing this beautiful project.
