

The Wristlet

Pay attention this is a universal instruction.

This instruction will work with most of my Wristlets. So the patterns in the photo may be different (I'm sorry). But Photos with this purchased design will be placed next.

Necessary materials.

The choice of fabric depends on your preferences.

I use eco-leather and vinyl leather with a thickness of 0.6-0.85 mm.

Cut the fabric the size and quantity according to the table.
