WHAT IS NEEDED:

- Foam 1 cm
- Padding 1 cm
- Felt or fabric of your choice

STEP TO MAKE THE HOUSE

- Put it in the frame tear-away stabilizer
- Embroider the position track
- Place the foam rectangle
- Embroider the next track
- Cut out the shape

Place the padding on top of the foam and embroider the next track
Cut out the template - Cover with top fabric, secure with pins
Turn the frame over and place the second rectangle of fabric, fasten with pins
Embroider the next seam - cut out the excess fabric
Both above and below - Embroider the last seam - Remove from the frame
Follow the same steps to make the other half of the house

STEP TO MAKE THE BUNNY

Put tear away stabilizer in the frame - Embroider the position track
Place the foam on top - Embroider the next track
Remove the excess foam - Perform the same operation with the padding
Trim the excess - Lay the rabbit's outer fabric on top

Embroider the position trace of the inside of the ears
Make the applique - Embroider the entire face of the rabbit

Place the fabric on the back of the frame and secure it with pins
Embroider the next trace - Cut out the excess fabric both above and below
Finish with the last seam

Do the same to make the banner and eggs

Join all parts with fabric glue or hot glue.
