WHAT IS NEEDED:

Foam 1 cm
Padding 1 cm
Felt or fabric of your choice

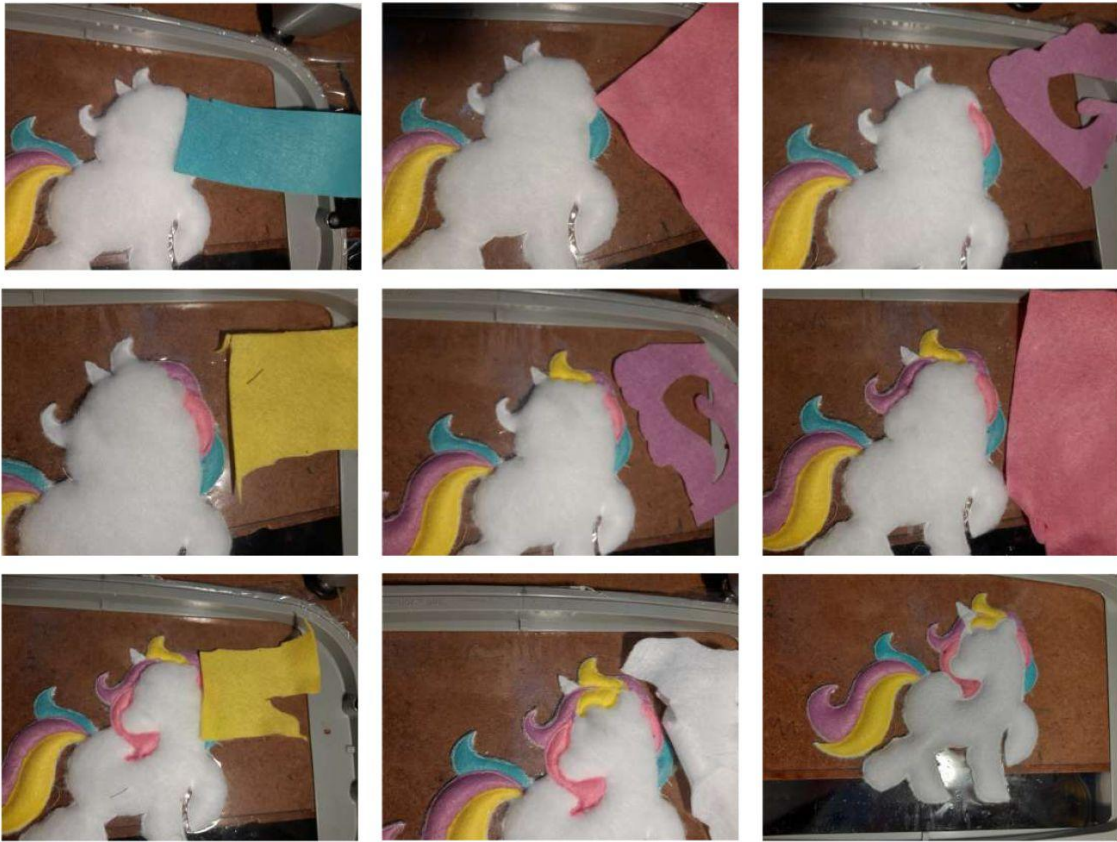

STEP TO MAKE THE UNICORN

Put it in the hoop tear-away stabilizer - Embroider the position track
Place the foam rectangle - Embroider the next track - Cut out the shape
Lay the batting on top of the foam - Embroider the next seam - Cut out the template

Proceed with all applications as shown in the sequence of photos
For each of the portions you have the position track available

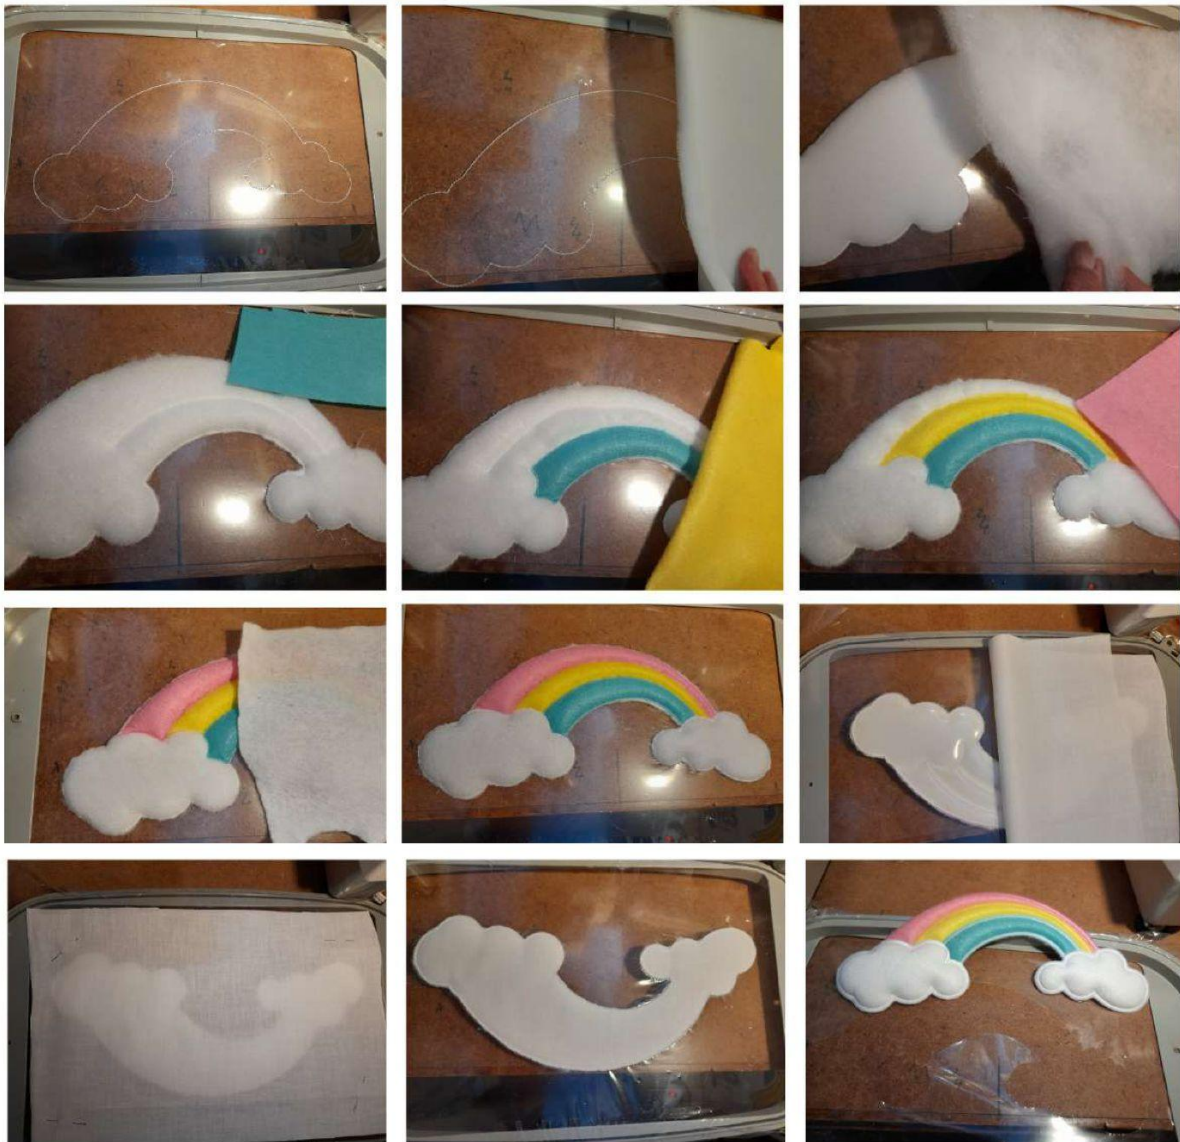

Each portion of the applique should be cut as close to the seam as possible

Embroider the face and hooves of the unicorn
Turn the frame over and pin the cover to the back
Embroider the next track - Cut out the excess fabric on the back of the hoop
Finish all the embroidery with the cover stitch

Follow the same steps to make the rainbow and the banner

Join all parts with fabric glue or hot glue.
