WHAT IS NEEDED:

- Foam 1 cm
- Padding 1 cm
- Felt or fabric of your choice

STEP TO MAKE THE HORSE

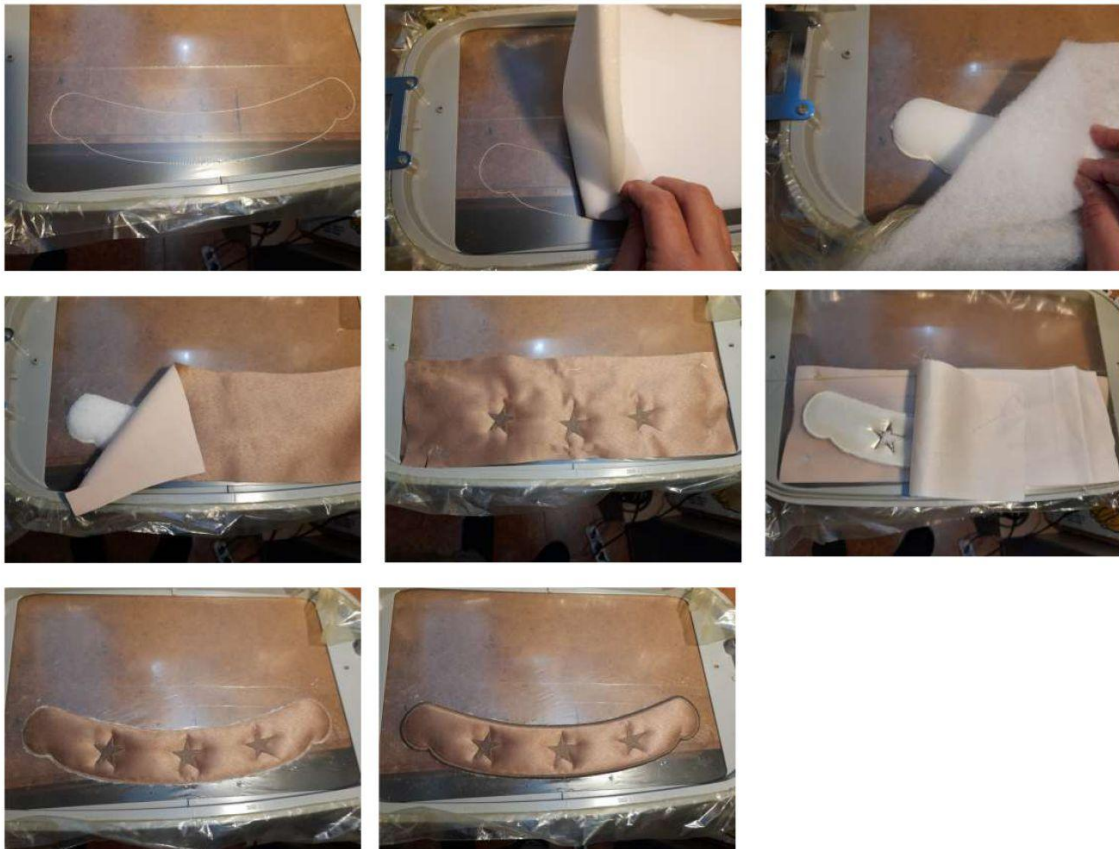

Place the tear-off stabilizer in the hoop - Embroider the position trace
Place the foam rectangle on top - Embroider the next seam -Cut out the template

Place the padding on top of the foam, secure with pins or tape
Embroider the following seam - Cut out the excess padding

Place the fabric over the mane, fix with pins, embroider the next seam, cut out the excess fabric.
Do the same for the tail, for the body and for the saddle.
Turn the hoop over and cover the shape with the lining fabric.
Embroider the next seam, Cut out the excess fabric
Finish the horse with the last stitch

STEP TO MAKE THE ROCKING

Embroider the position trace - Place the foam on top - Embroider the next trace
Cut out the shape
Place the padding on top of the foam - Embroider the next trace
Cut out the excess padding
Place the fab on topc, fixed with pins and embroider the stars
Turn the frame over and place the lining fabric down. Fixed with pins
Embroider the next seam
Cut out the excess fabric both above and below. Finish with the last seam

STEP TO MAKE THE TEDDY

Embroider the position trace - Place the foam on top - Embroider the next trace - Cut out the shape
Place the padding on top of the foam - Embroider the next track - Cut out the excess padding
Place the fabric on top, fixed with pins and embroider the upper part of the bear's face
Embroider the position trace of the bear's nose, make the applique
Cut out the excess fabric and embroider the edge of the applique and the collar
Turn the hoop, fix the lining fabric with pins - Embroider the next track - Cut out the template both above and below - Finish with the last seam

Join all completed parts with hot glue or fabric glue.
Complete the project with a decorative bow of your choice.
