

## Gift Card Holders for Mom

### Color changes 1 and 2 are only for placement – choose any color you want to use

1 Stich on Stabilizer for placement

2 Place material on stabilizer

Stitch designs for holder

When design has finished stitching – the last two color changes are for FINISHING the card holder.

Use colors you choose for the final two color changes.

### FINISHING INSTRUCTIONS:

- 1 - remove from machine and pin or tape fabric to back side of stabilizer.
- 2 - outline stitch
- 3 - remove from hoop. cut around card holder using pinking shears or plain scissors, it's your choice.
- 4 - cut a slit through the ribbon placement hole, cutting through all layers.
- 5 - Insert card in holder, run a pretty piece of ribbon through both layers and tie in a bow.

Enjoy!
