5x7 Bunny with Pocket on Front

Colors can be stitched in the same color that matches your final satin stitch, except where noted for Eyes and Nose.

Stitch this out onto Stabilizer.

1. Outline Stitch

Remove hoop from machine.

Place fabric over outline.

You can place a piece of felt under the fabric if you want.

Secure fabric and return hoop to machine

2. Outline Stitch

Remove hoop from machine.

Cut around design as you would for applique

Return hoop to machine

3. ZigZag tack down stitch.

4. Black for Eyes and Mouth

5. Pink Nose

Remove from hoop and place a folded piece of fabric,
with the folded end toward the top, just under the mouth. Secure.

Return hoop to machine.

6. Stitch Tack down Stitch

Remove hoop from machine and trim around the edges

as you would for applique.

Return hoop to machine.

7. Zig Zag tack down stitch.

8. White or color of choice for detail on ears.

Remove hoop from machine. Turn hoop over and secure a piece of fabric over the back side of hoop. Return hoop to machine.

9. Outline stitch.

Remove hoop from machine. Turn hoop over and trim around design as you would for applique. Return hoop to machine.

10. Zigzag tack down stitch

11. Satin stitch around design.
