

FSL Rose Doily or Bowl

Thank you for purchasing my designs

Instructions:

- hoop 2 layers of wss and sew all colors
- make one bottom and 6 sides
- trim close to stitching then stitch
- together on machine using a loose zig zag stitch
- For doily sew sides only 1/2 way up...
- when all constructed rinse in warm water and lay flat on paper towels until dry
- For bowl sew sides up as close to the bend in the heart as you can – about 3/4 way up....
- When all constructed, rinse in warm water and put paper towels on bowl and lay fsl bowl over bowl with paper towels to help give it shape

(some people like to layer FSL designs between 2 pieces of plastic canvas)
