

Halloween Lights

Materials needed

Tear away Stabilizer

Threads

Assorted colors of felt approx 3 1/2" square for each design.

String of LED twinkle lights.

Make sure they are LED because the standard bulbs get hot and might pose a Fire hazard.

In the samples, small battery operated LED lights were used. But both sizes Will work.

Basic Instructions:

Hoop the Tear A Way stabilizer.

These 2 colors can be stitched in the same color.

Color 1: Stitch on Stabilizer.

Remove hoop from machine and place the felt over the outline. Return to Machine

Color 2: This is the outline stitch and detail for the design. Be sure and

Use a contrasting Color that will show up.

Basic Instructions for Hole:
