# MOTHER'S DAY BANNER

(Can be used as coasters, gift tags, joined to make banners, ornaments etc.)

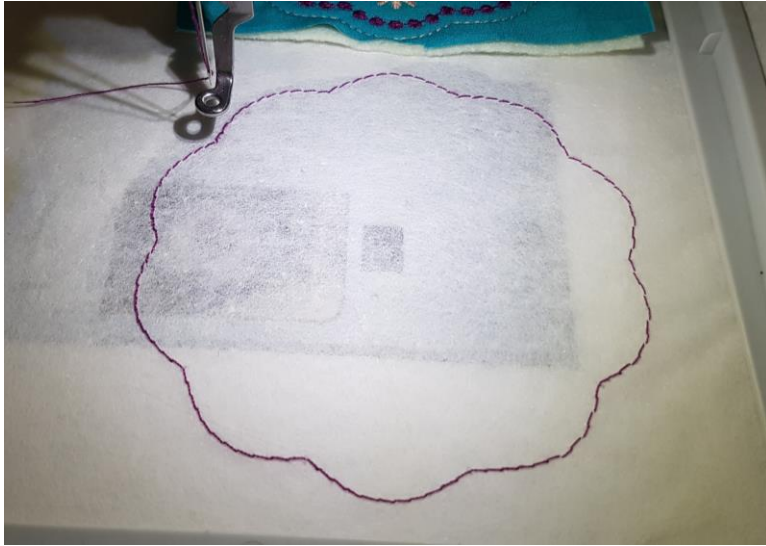

Top fabric
Fleece or light batting
Backing fabric
Ribbon/webbing to make the banner
Threads
Tearaway stabilizer

1. Hoop Tearaway stabilizer and sew the 1st outline.

2. Lay a layer of batting and the top fabric over it, sew the 2nd color.

3. Next change colors and complete the design as desired except the last 2 colors.

4. Once the design is completed, remove hoop and lay a layer of backing fabric at the back of the hoop, right side facing up. Covering the outline well and tape it in place.

5. Get the hoop back to the machine and sew the 2nd last color, the running outline.

6. Remove hoop once again and trim close to the stitching all the excess fabric from top and bottom as well as the batting/fleece.

7. Fill bobbin with the same color as the top thread for the last satin stitch edge.
8. Once completed, unhoop and Tearaway all the excess stabilizer and use as needed.
