

ITH COASTERS

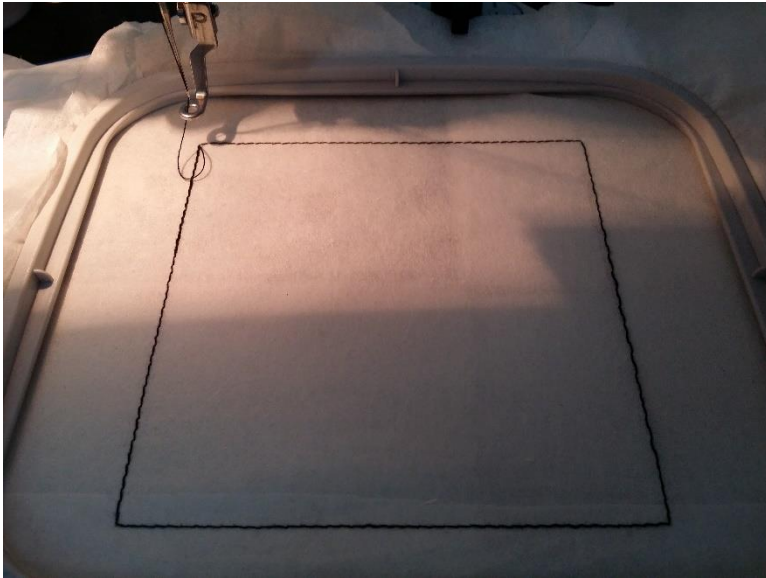

Top Fabric- 5x5 inches or 6x6 inches

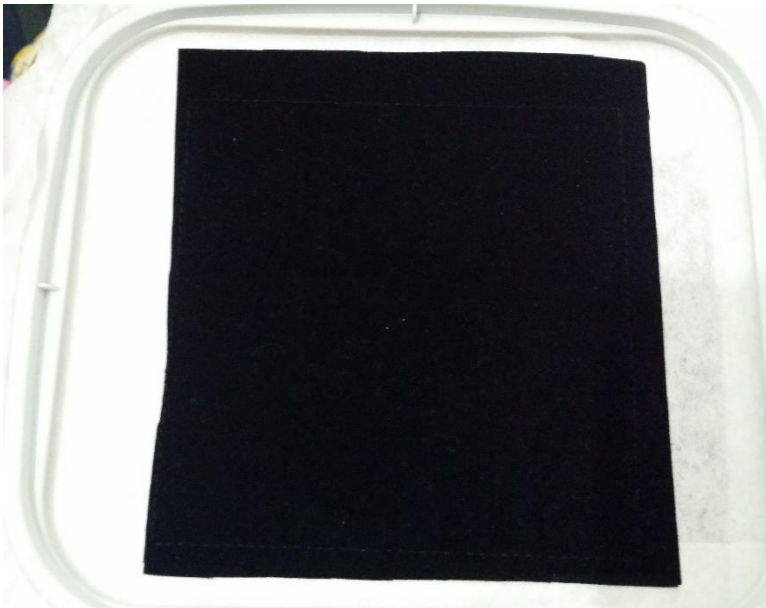

Backing (fleece, felt, batting and fabric, vinyl)-5x5 inches or 6x6 inches

Tear away stabilizer

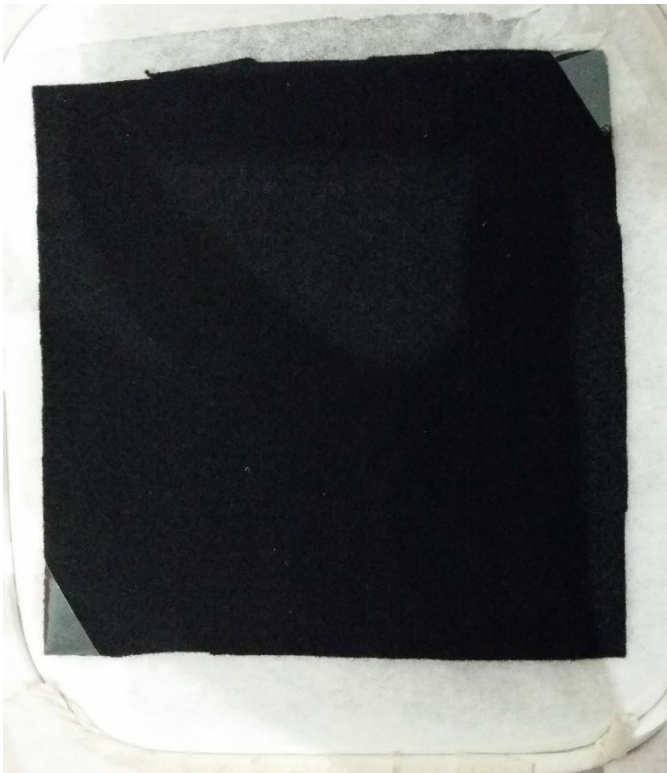

1. Hoop 2 layers of Tearaway stabilizer.
2. First color will stitch out the placement outline.

3. Lay the top fabric covering the whole outline well.
4. 2nd color will tack down the fabric.

5. Complete the remaining embroidery except the last 2 colors(Outline and satin border)
6. Once the design is completed, remove hoop from the machine and lay the backing at the back of the hoop and tape it in place.

7. Next color will join the layers together.
8. Remove hoop and trim the top fabric as well as the backing as close as possible. (careful not to cut the stabilizer)
9. Change bobbin thread to the color of the satin border and stitch the last color.

10. Remove, unhoop and Tearaway the excess stabilizer.
