

## **In The Hoop Applique Snowmen Card Holders**

**Best if made using Opaque Water soluble Stabilizer is used.  
when glue is called for, I personally use washable childrens glue. If you prefer, you can use a fabric glue**

**Fringe: You do not have to add fringe on the scarf if you don't want to.**

### **IDEAS:**

**Giftcard holder - after placing the backing fabric on, take another piece of fabric and fold in half, place it over the backing fabric and stitch in place. Continue with design. This will create a nice pocket on the back of the ornament.**

**instead of fabric for a pocket, you can use heavy table cloth clear plastic. then tuck in a gift card, picture or small gift like a ring.**

**Use sparkle glue, buttons, flatbacks, ribbon, ect for cute embelishments.**

### **STEPS 1-3**

**First 3 stitch color changes should be the same color and match or contrast with material or final outline satin stitch.**

#### **#1: basic outline stitch**

**Place a piece of felt, quilt batting or craft foam onto basic outline. If using craftfoam, place a piece of plain light fabric on top of foam.**

#### **#2: tack down stitch for basic outline**

**remove hoop from machine and cutaway material used around the outline stitch with applique stitches. Clipping close, but not into the stitch.**

#### **#3: zig zag tack down stitch**

**ithchristmassnowman001**

**follow first 3 color directions.**

#### **#4: free standing lace loop**

**use in your color choice to match top of hat or to contrast.**

#### **#5: outline for top of hat**

**Place fabric of choice**

**#6: stitch down for hat  
remove hoop and trim for applique**

**#7: tack down for hat**

**#8: outline for hat cuff  
Place fabric of choice**

**#9: stitch down for hat cuff  
remove hoop and trim for applique**

**#10: tack down for hat cuff**

**#11: Detail stitch for Hat Cuff, use thread to match or contrast with fabric**

**#12: outline for head  
Place fabric of choice**

**#13: stitch down for head  
remove hoop and trim for applique**

**#14: tack down for head**

**#15: placement line for fringe  
Place strands of yarn or floss down extending over line**

**#16: tack down for fringe  
trim fringe a little from scarf edge, but the applique for the scarf will cover the ends.**

**#17: outline for scarf  
place fabric of choice**

**#18: stitch down for scarf  
remove hoop and trim for applique**

**#19: tack down for scarf**

**#20: detail stitch for scarf, use thread color of choice**

**#21: eyes**

**#22: cheeks**

**#23: Nose**

**#24: mouth**

**#25: satin stitch around face**

**Remove hoop from machine and turn over.**

**Glue in place material of choice for the back of the ornament.**

**#26: stitch down backing fabric**

**Remove hoop from machine and turn over. Trim for applique**

**Return hoop to machine**

**#27: tack down for back**

**#28: satin stitch around ornament. Use color of choice.**

**Remove from hoop and cut away the opaque water soluble stabilizer. the edges of the stabilizer can be removed by dabbing a wet sponge around the edges to dissolve it.**
