Hair Clip or Pin  
Hoop tear away stabilizer.

#1 Stitch on Stabilizer. This is an Outline Stitch.

Secure a piece of felt over outline area

#2 Tack down stitch.

Do not trim design is finished.

#3 Color of choice for Wording

#4 Decorative stitch

Remove hoop from machine and turn over  
secure a piece of felt to the back of the design.

Return to machine

#5 Tack down Stitch

Remove design from hoop.

On the back of the design, cut a slit large enough to put a hair clip through  
For a pin, cut 2 small slits to attach a safety pin or  
simply glue a pin back on.
