

## Christmas BookMarks Instructions

I do mine with Felt and Heavy Cutaway Stabilizer

Hoop the Cutaway Stabilizer

Lightly Spray the stabilizer with Temporary adhesive

Place Felt centered on stabilizer

Stitch...

Before the final Satin stitch borders, slide a coordinating piece of felt under the hoop. You might want to match the bottom to the top thread for the final border, or use white felt to match the bobbin thread.

Complete the stitching...

Trim with Pinking Shears or your favorite decorative Rotary cutter blade.

**ENJOY!**
