

lace visor

https://youtu.be/_D0IRqkZ174

INSTRUCTION

1. Download the design from the website to your computer.
2. Unzip the file. Upload the embroidery file to your machine.
3. Hoop 2 layers of water-soluble mesh. Embroidery the design.
Embroider visor (adult or child)

Select files for embroidery, thus to obtain the required length headband.

Marking files

the first digit is the part number
the second digit is the length millimeter

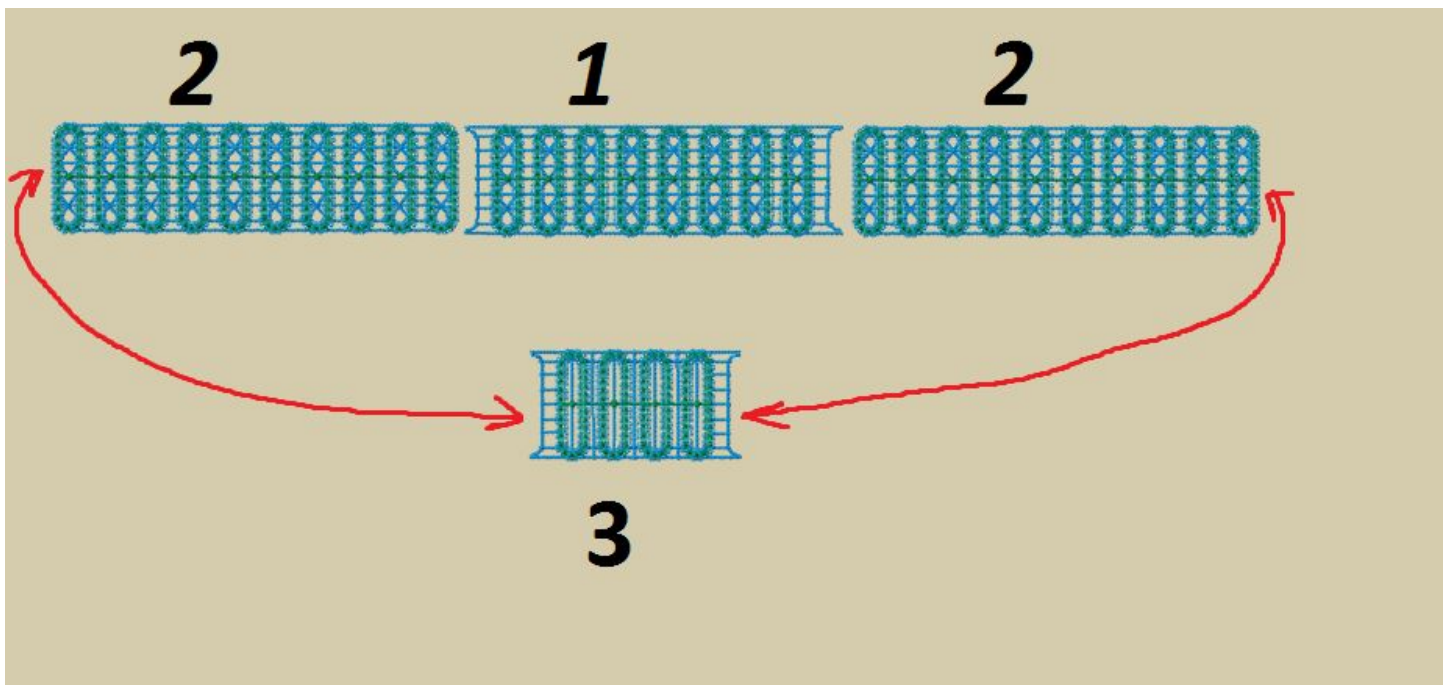

- 1 - center front of the part (one size)
- 2 - side part (embroidered 2 pieces)
- 3 - the rear Central part

2-161

2 - the part number

161 - 161 millimeter

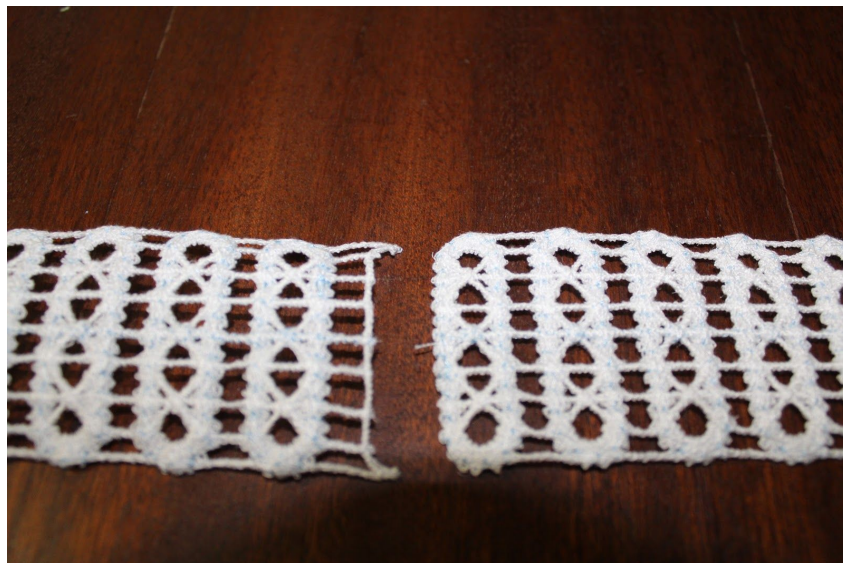

For example. Size 58 embroider files 1-153, 2-180, 2-180, 3-81

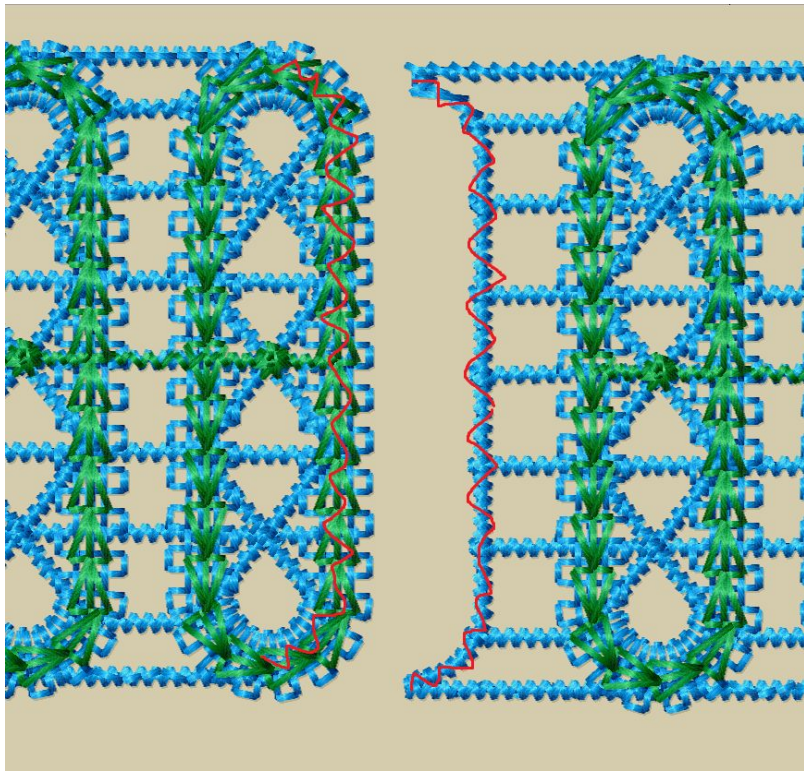

4. Rinse the stabilizer in lukewarm water and leave to air dry. Press with steam.

5. Sew part of the between headband
For details, see my video https://youtu.be/_D0IRqkZ174
Insert the elastic in the back

Sew the visor on the machine zigzag stitch or by hand.

It is important

Always make a test stitch-out of the design and wash away the stabilizer. This helps you to select the threads, needles, stabilizers and settings of your machine correctly.

To get 2-sided embroidery you should use the same thread for the needle thread and bobbin thread.

You can sew a color 1

Thank you for your purchase.
