WHAT IS NEEDED:

Padding 1 cm

Foam 1 cm

Felt or fabric of your choice

STEP PER FARE LA LUNA - STEP TO MAKE THE MOON

Hook-and-loop stabilizer in hoop - Embroider the position track
Place foam on top - I embroider the next track - I cut out the excess
Place on the batting - I embroider the next track - I cut out the excess
I flip the frame and fix the lining - Fixed fabric on top
I embroider the next track. Cut the excess fabric both above and below
I finish with the last seam - I perform the same procedure for the part below

STEP TO MAKE THE BEAR

Hook-and-loop stabilizer in hoop - Embroider the position track
Place foam on top - I embroider the next track - I cut out the excess
Place on the batting - I embroider the next track - I cut out the excess

I make the applique of the head and tail of the bear - I cut out the excess

I make the applique of the pajamas and the bow, I embroider the face of the bear

I turn the frame over and fix the lining - I embroider the next track
I cut the excess of fabric and finish with the last seam

To make the star, the procedure is the same as that used to make the moon
